

Forum Social Media Scope

Template Overview

Overview

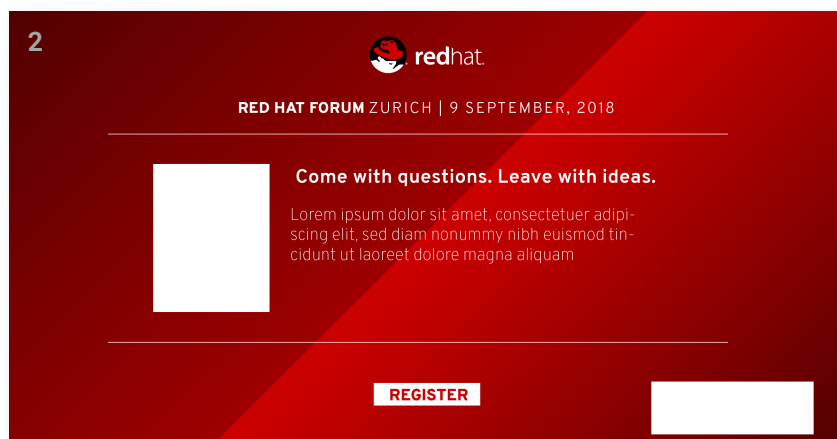

This social media templates, will allow authors to create 2 preset social media sizes for a range of Red Hat forum events. Authors will have the ability to change all text inputs and add a sponsor logo.

The following templates are available:

1. Topic Post
2. Speaker Post

This template will be available in the following sizes:

1. 880 x 440px
5. 1200 x 630px

Speaker Template

1200 x 630

Inputs

1. Event Location/Date (max 1 line)
2. Speaker Headshot (image upload)
3. Headline (max 2 lines)
4. Copy (max 5 lines)
5. CTA
6. Co-brand logo

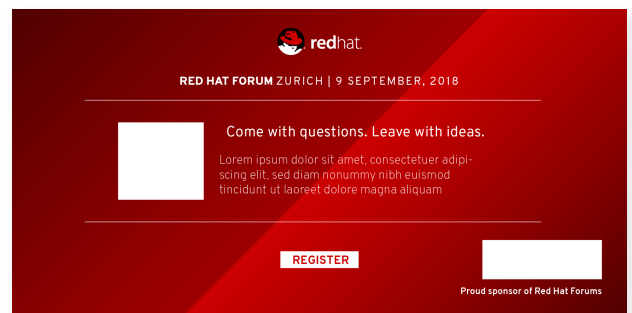

Notes

For the Speaker Headshot set it as a background image that covers with a set width and height, instead of an `` tag - it will be easier to handle.

For the co-brand logo also use background-image. Contain and center the image to the div.

Please also add overflows on all text inputs :).

880 x 440

Estimated production time
2 hours

Topic Template

Inputs

Topic Layout

1. Event Location/Date
2. Headline (max 2 lines)
3. Subheading (max 2 lines)
4. CTA
5. Theme (TBC)

Notes

This one is pretty straight forward. Flex the headlines and call to action space-between.

Lock the logo position to the top.

1200 x 630

880 x 440
